

Mission Statement and Goals

Our Mission

Our central focus is the production of quality products and services in Engineering, Fabrication and Maintenance, on time, within budget and beyond customer's expectations.

Values

H.E.M.E Pty Ltd is a company built on the belief that there is an essential value, personal satisfaction and financial reward in producing reliable products and services that offer customers more value than they expect to receive.

We, meaning each employee of H.E.M.E. Pty Ltd will succeed because our customers succeed.

We are part of a much larger community to which we are obliged to act responsibly.

We do so when we help protect our environment, provide employment opportunities, work safely and consider the other person in all of our business affairs.
